Gain insights into what organizations need to do to achieve Meaningful Use. Find how EHR's are being implemented and accepted as well as learn the status of the California statewide collaboration in the development and deployment of secure and practical HIE's. Network with peers and hear how different organizations are responding to the state and national goals.

Confirmed speakers include:

- **Kerry Shannon, Partner, Healthcare Planning & Operations, CSC**
- **Jonah Frohlich, Deputy Secretary, Health Information Technology, California Health & Human Services Agency**
- **Kimberly Ortiz, Chief of Medi-Cal Payment Systems**
- **Bobbie Holm, Chief, eHealth Policy Branch, California Office of Health Information Integrity (CalOHII), California Health and Human Services Agency**
- **Alan Soderblom, Chief Information Officer, Adventist Health**
- **Lori Hack, Object Health, Principal and CEO**
